

## KZF gallery welcomes heroes

**W**e've seen many images of the conflicts in Iraq and Afghanistan through the eyes of the media, but KZF art gallery offers a chance to see it through the eyes of those who have served. Meet My Hero features images submitted by members of the Army's 478th Engineer Battalion and other soldiers returning from service. It also includes work depicting heroes created by students at Cincinnati Arts & Technology Center. 8 a.m.-5 p.m. Monday-Friday, through Oct. 3. 655 Eden Park Drive, Walnut Hills. 513-621-6211, [www.kzf.com/gallery/](http://www.kzf.com/gallery/).
