

### KZF Design Wins 2010 US Air Force Honor Award for 711th HSW Facility

# award winner

KZF Design and Barge Waggoner Sumner & Cannon are pleased to announce the US Air Force has awarded us a 2010 Honor Award for our work on the 711th Human Systems Wing Facility (Human Performance Wing) at Wright-Patterson Air Force Base in Dayton, OH. This recognition joins the KZF Government and Justice Group's long list of awards and achievements over the past decade. We salute our design professionals for their unwavering dedication to innovation and creativity and commitment to improving mission capabilities of the DoD and all our clients, both military and civilian.
