

Toho Water Authority Headquarters Wins Tilt-up Achievement Award

award winner

KZF Design is pleased to announce the Toho Water Authority Headquarters has been awarded a 2011 Excellence in Achievement Award by the Tilt-Up Concrete Association (TCA). The headquarters has also been recognized by TCA for other tilt-wall achievements, including the record for largest panel by area and the second heaviest panel on record.

This recognition adds to KZF's long list of awards and achievements over the past decade. We salute our client, the contractor, Tilt-Con Corporation, and our design professionals for their dedication to finding and implementing innovative construction solutions.
