

## KZF Design Announces Move to 700 Broadway in Downtown Cincinnati

We are pleased to announce that KZF Design is "returning to our roots" in downtown Cincinnati with the relocation of our office to 700 Broadway Street within the 8th Street Design District.

KZF has a long history with the Downtown area, beginning with our first offices in the Ingalls Building on Fourth Street back in 1956. Our commitment to downtown is proudly shown by our investment in this classic turn-of-the-century office/manufacturing building that has been adapted into sustainable and cutting-edge design studios.

700 Broadway Street  
Cincinnati, OH 45202-6010
